**Here's how the Crowley Furniture \$10,000 Furniture Makeover Works:**

The winner selects one room in their house they would like makeover. Any room is eligible (living room, bedroom, dining room, family room, etc.) However, you can only choose one room.

Crowley Furniture will send our in-home designer to the winner's house to help the winner evaluate their room and make selections.

The winner can choose from any of our products to makeover the room. If the product selected by the winner totals more than \$10,000, the winner can pay the difference between the total and \$10,000.

The \$10,000 in its entirety will be used to makeover the winner's chosen room. More than one room may not be makeover. No cash payout.

The winner must allow before and after pictures of the room chosen for the furniture makeover. Crowley Furniture will retain ownership of the photos and may be used on Crowley Furniture's website and other advertising.

The makeover must be completed by June 1st, 2012.
